**Sun Valley General Improvement District
16-inch Klondike Transmission Main Project
PWP# WA-2021-082
Sun Valley, Washoe County, Nevada**

Sealed Bids for the construction of the **Sun Valley General Improvement District 16-inch Klondike Water Transmission Main** project, located in Sun Valley, Nevada, will be received by the Sun Valley General Improvement District, the **Owner**, at the Sun Valley General Improvement District office located at 5000 Sun Valley Boulevard until **2:00 p.m.**, local time, on **January 19, 2021** and then will be publicly opened and read aloud.

The Work consists of performing or providing all labor, services, and documentation necessary to produce such construction and furnishing, installing, and incorporating all materials and equipment into such construction, all as required by the Contract Documents.

The Work generally includes the installation of approximately 1,250 LF of 16 inch water main, valves, connection assemblies, a tank overflow air gap structure, surface improvement restoration and other related work all as contained in the Contract Documents.

The Contract Documents may be examined at the following locations:

Sun Valley General Improvement District	Shaw Engineering, Ltd.
5000 Sun Valley Boulevard	20 Vine Street
Sun Valley, Nevada 89433	Reno, Nevada 89503

The Contract Documents can be viewed and then purchased on line for \$15.00 through Quest CDN. The link can be found on the Shaw Engineering website under "Bidding" at <https://shawengineering.com>. The **Engineer** will record only those parties who have obtained the Contract Documents through Quest CDN and are listed on the plan holders list.

A non-mandatory pre-bid conference will be held at **9:00 AM** on **January 12, 2021** at office of the Sun Valley General Improvement District Board Meeting Room located at 5000 Sun Valley Blvd. Bidders, Subcontractors, Suppliers and other interested parties are encouraged to attend.

Each Bid must be submitted on the prescribed form (separate Bid package). Successful Bidders will be required to furnish both a payment Bond and performance Bond in the full amount of the contract price.

The **Owner** will not award the Contract to a Bidder who, at the time of submitting a Bid, was not properly licensed under the provisions of Chapter 624 of NRS or if the Contract would exceed the limit of the Bidders license.
