interest in the District and its goal to provide the highest quality water and services to our customers. Thank you Mr. White and we all hope you enjoy your retirement. Thanks for everything!

### Health & Safety Fair A Big Success

This year's health and safety fair served over 350 Washoe County families with free health and safety information and services including free immunizations, booster shots,

child IDs, bicycle helmets and more. The organizers of the annual event Northern Nevada Immunization Coalition (NNIC), Safe Kids Washoe County, Virginia Palmer Elementary School, Rotary Club of Reno, Sunrise and the Sun Valley Family Resource Center would like to thank all sponsors, volunteers and donors.

### SV Pool Aquatic Supervisor

Meet Erica Burnett, enjoying her first year as the Aquatic Supervisor for the Sun Valley Pool. She has worked at the pool for 4 years, and most recently as the head lifeguard. She became interested in life-guarding after training for sprint triathlons and developing a love for swimming. She is a senior at UNR studying Wildlife Ecology

Now that the summer months are here it is more important to watch your water consumption, in the home and outside. One of the best things you can do right now is the voluntary water plan that allows three specific days for watering the lawn and any day of the week to hand water your gardens, shrubs and trees.

## Assigned-Day Watering

If the last number of your home or business address is EVEN (0,2,4,6,8) water your lawn on Tuesday, Thursday and Saturday. ODD (1,3,5,7,9) water your lawn Wednesday, Friday and Sunday. Do not water between noon and 6pm from Memorial Day through Labor Day. Give watering a rest on Monday for the water system to replenish and maintain the water system. Assigned Day watering helps regulate water use in the Valley during peak months. Please don’t waste, and please member to water weather-wisely on the recommended days. Hand watering of trees, shrubs, flower beds and vegetable gardens is fine any day of the week. Thanks for helping to conserve water in Sun Valley.

## District Staff

Darrin Price, General Manager for the Sun Valley General Improvement District was recently elected Member at Large for Nevada Recreation & Park Society’s Executive Board, a group formed in 1955 to promote public appreciation for recreation and parks. Mike Ariztia, Public Works Director at the District is Chairman for The Nevada Water/Wastewater Agency Response Network (NVWARN.org) which is designed to facilitate rapid emergency response among the group’s member utilities.
