DISTRICT PROMOTIONS

The Sun Valley General Improvement District is proud to announce the following promotions. By promoting from within the District Trustees stated their confidence in the knowledge, skill, abilities and professionalism of the recently appointed employees. Congratulations to all!

Public Works Director, **Jon Combs**, was promoted to General Manager.

Field Supervisor, **Chris Melton**, was promoted to Public Works Director.

Service Technician, **Brad Baeckel**, was promoted Field Supervisor.

RECREATION RECAP

On behalf of the District and the Sun Valley community, thank you to all of the aquatics staff for their commitment to provide a fun and safe place to recreate.

This year's recreation season was a huge success. The season began with the annual Dive Into Summer with a free movie in the park and over \$2,000 in donation prizes were raffled off. The Sun Valley Pool offered aquatics fun for the 8 week season, had 394 registered participants in youth swim lessons, offered 3 free swim days, courtesy of The Fink Family, Teresa Benitez-Thompson and developer DR Horton, and the pool was secured for several party reservations and large group visits. A Pool Party polished the season off with music, dancing, games and prizes. A BIG congratulations to the lifeguards who finished in 3rd place at the annual lifeguard competition and the Sun Valley Cal Ripken Little League who finished 2nd in the State Championship Game. Last, a Show & Shine event was held in late August at the Sun Valley Community Park. The District was thrilled to have such a busy season and thanks to all who patron the pool and parks.

VETERANS APPRECIATION BREAKFAST

The District's 9th Annual Veterans Event will be held on Saturday, November 10, 2018 at the Neighborhood Center in the Sun Valley Community Park from 9:00 a.m. to 11:00 a.m. and will include a free pancake breakfast, courtesy of Washoe County Human Services. Join us as we honor all veterans, active and non-active military, with a ceremony of thanks and recognition. Various veteran agencies will be present to provide much needed resources and information. The public is invited to attend, as well.

WINTERIZING YOUR HOME

The District reminds its customers to take measures this fall to winterize your home and help prevent freezing of pipes under your home as well as the exposed supply lines. For information on freezing pipes and winterization please visit www.svgid.com.

CONSTRUCTION UPDATE

COMING SOON!

Sun Valley will soon have a Middle School, Desert Skies, located at the North end of Sun Valley. Estimated open date is set for the 2019 school year. As the community continues to grow, so does the housing market. Developer DR Horton is currently constructing Ladera Ranch Phase 1, a development of 105 new single family homes.
