FALL 2025

CALLING ALL VETERANS

Are you a veteran or do you have a veteran in your family? Come join us as we honor and celebrate YOU! The District and Washoe County Human Services invite all veterans, active-duty, retired, and reserve service members, along with their families and the community, to a Veterans appreciation breakfast.

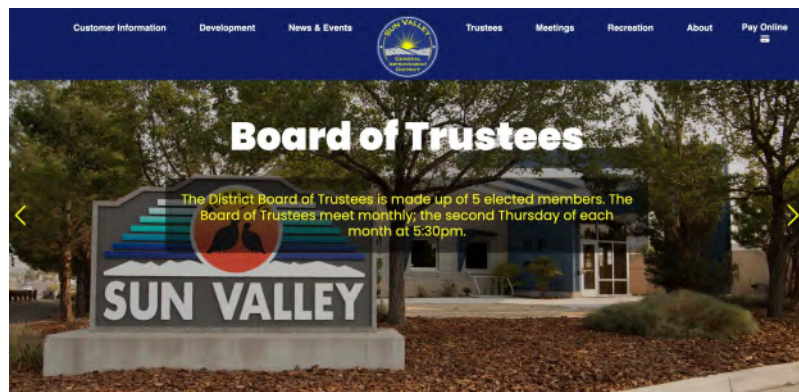

Saturday, November 8, 2025, 9:00am – 11:00am
Sun Valley Neighborhood Center
115 W. 6th Ave. | Bldg. 110

Enjoy a free breakfast, receive information and resources from veteran and military agencies, and celebrate with fellow veterans, families, and neighbors.

This is a free community event. We look forward to honoring your service!

NEW DISTRICT WEBSITE

The District is excited to announce it has launched its new website. Check out the new svgid.com!

DID YOU KNOW?

Each year, our field staff performs vital sewer main maintenance using high-pressure hydro flushing. This process clears out debris, grease, and sediment that can build up over time and cause blockages or overflows.

By flushing the lines with powerful water jets, crews keep the system flowing smoothly and reduce the need for emergency response. This routine maintenance protects public health, prevents service disruptions, and extends the life of our sewer infrastructure.

KTMB CLEAN UP & E-WASTE RECYCLING RESULTS

The District partnered with Keep Truckee Meadows Beautiful for the annual Great Community Clean-up in May. 103 volunteers joined the cause resulting in the removal of 62,320 pounds of trash including 140 tires and 3 cars. The District also held a month-long electronics recycling event in partnership with Intelligent Lifecycle Solutions in April. This event was very successful with the collection of 84 televisions, 7 monitors and a total of 1,337 pounds of various recycled electronics. As a reminder Intelligent Lifecycle Solutions accepts electronic recycling year-round, fees apply for TV's and CRT monitors. For more information, call 775-690-9348. If you are in need of disposing appliances/heavy metal, Sims Metal accepts recycling year-round. For more information call 775-331-3023.

FROM THE GENERAL MANAGER

The District would like to take a moment to thank all of our valued customers. We truly appreciate your continued support, patience and understanding as we work to improve the services we provide to our community.

To help provide more efficient service we completed a consolidation of billing cycles, so addresses in each cycle are in close proximity to each other. We know changes bring questions, and encourage customers to call the Customer Service Department with any inquiries, payment arrangements, or other needs you may have. Staff is always there to assist and respond to your billing inquiries or concerns.

We also want to thank the community for your understanding to our new business hours that went into effect in January. For the most up-to-date information, we encourage you to check our website, Facebook page, or call us directly.

Once again, thank you for being part of the Sun Valley community and for allowing us to serve you. We remain committed to providing friendly, and reliable service every step of the way.

WINTERIZING TIPS

Cold weather is coming—don't forget to prepare your outdoor water systems. A few quick steps now can help you avoid costly repairs later.

- Shut off and drain outdoor faucets – Turn off the water supply and let the water run out.
- Disconnect garden hoses – Store them indoors to keep them from cracking.
- Cover spigots – Use insulated covers or wrap them to protect against freezing.
- Winterize sprinkler systems – Shut them down and drain the lines.
- Clear gutters and drains – Keep water flowing away from your home to prevent ice buildup.

Taking these steps will help keep our homes and neighborhood safe and ready for winter!

COMMUNITY SUPPORT

On behalf of the District and the Sun Valley Community, thank you to the Haws Corporation for graciously donating a new drinking fountain for Gepford Park. Their investment provided enhanced existing park amenities for everyone to enjoy.

THANK YOU!

The District wants to send a special thank you to the Fink Family and Commissioner Garcia for their continued support sponsoring this year's FREE SWIM days! A big thank you to our fantastic 2025 Lifeguards. This year's staff went above and beyond to serve the community, making the health and safety of our pool patrons their top priority, while providing a fun and refreshing way to spend the summer days. If you know anyone who enjoys the water, being outdoors, and helping others, please have them contact the District to be added to next year's lifeguard interest list.
