

RULE NO. 11

ESTABLISHMENT AND RE-ESTABLISHMENT OF CREDIT

I. ESTABLISHMENT OF CREDIT

Each Applicant who is not the landowner of the property for which service is being requested will be required to establish credit with the District by making the Deposit required in Rule No. 12.

- A. A Customer whose service has been discontinued for nonpayment of bills shall be required to pay the full balance for all services supplied and billed to Customer's account before service will be restored to the property. The Customer may be required to pay a reinstallation charge pursuant to Rule No. 6 and Rule No. 22 I B before service is restored.
- B. If service has been discontinued for either non-payment of bills or for account closure, neither sewer nor water service will be supplied upon application until such time as the outstanding balances for such services to the premises are paid in full.
