SUN VALLEY POOL UPGRADES

It was a very difficult decision for your Board of Directors to cancel the 2020 pool season. However, we have used this time to repair and update the facility using the Recreation Fund. We have painted the outside of the building and removed and replaced plaster and tile on the interior of the pool. We are excited for everyone to see the updates when we open for the 2021 pool season next Spring!

ILLEGAL DUMPING UPDATE

SVGID is proud to partner with the Washoe County Sheriff's Office to curb illegal dumping in the Valley. One of our most recent clean up efforts occurred in July when the District, community members and WCSO work crews spent over 100 man hours to remove debris filling two 40-yard dumpsters, a 30-yard dumpster and 17 cars from Washoe County Right of Way property on Klondike Drive. We encourage residents to report illegal dumping by calling Washoe County Sheriff's Dispatch at 775-785-9276.

VETERAN'S APPRECIATION EVENT

Due to COVID-19 and the uncertainty around public events, we are unfortunately unable to hold our annual Veteran's Appreciation Event. We hope to see you next year to celebrate those who have given, and still give so much for our country.
