

## **RULE NO. 11**

### **ESTABLISHMENT AND RE-ESTABLISHMENT OF CREDIT**

#### **I. ESTABLISHMENT OF CREDIT**

Each Applicant applying for either sewer and/or water service will be required to establish credit with the District by making the Deposit required in Rule 12.

However, if any Applicant, other than an Applicant for service to a multiple unit residential, commercial or industrial building, has been a Customer of the District within six months prior to application for sewer and/or water service, and during the last thirty-six (36) consecutive months of that prior service had paid all bills for similar service without having been disconnected for nonpayment thereof, no such deposit is required.

#### **II. RE-ESTABLISHMENT OF CREDIT**

- A. An Applicant who has been a Customer of the District within six months prior to application for sewer and/or water service and during that last thirty-six (36) months of prior service has had water service discontinued for nonpayment of sewer and/or water bills will be required to pay any unpaid balance due the District for the premises for which service was furnished and be required to re-establish credit by making the deposit and/or payment prescribed in Rule No. 12 under "Deposits," and in Rule 21 III B.
- B. A Customer whose service has been discontinued for nonpayment of bills shall be required to pay all past due balances to the District. The Customer may be required to pay a reinstallation charge as prescribed in Rule No. 6 and to re-establish credit by making the deposit and payments prescribed in Rule No. 12 I and Rule No. 21 III B,C before service is restored.
- C. Neither sewer nor water service will be supplied to any property within the District upon any application until such time as the property owner pays all outstanding balances for such services to the premises. The District shall make all reasonable attempts to return to the owner of the property any amounts received from bills collected under paragraph B above which are also collected under the terms of this paragraph C.
